**7:00PM** \* Greetings by Katherine Gagne, RPS Board Chair

**7:20 - 8:05PM** \* Topic Session 1

**8:10 - 8:55PM** \* Topic Session 2

Parents may choose 2 of the following 3 sessions to attend:

**1) *Beyond the Hurt: Bullying Prevention - Elementary***

**Presenters:** Colleen Lynch & Danielle Hackel

This session is an overview of what constitutes bullying and will include parent tips and information/ strategies to share with your child.

**2) *Healthy Youth Relationships: Defining Consent - High School***

**Presenters:** Ashley Enion & Brianne Harris

This information session for parents of teens will examine healthy youth relationships including discussing and defining consent. What is the age of consent and when is consent possible and not possible?

**3) *Cyberbullying: Encouraging Ethical Online Behaviour- K-12***

**Presenter:** Erik Van Dusen

Children rely on the Internet to explore social roles, stay connected with friends, and develop their social networks. While most of the social interactions are positive, increasingly kids are using communication tools to intimidate and harass others. This session provides an overview of cyberbullying and offers strategies for parents on how to help young people develop responsible online behaviour.

School Community Councils are invited to send 2-3 parent representatives.
